

Dear Amisk School Parents/Guardians,

Welcome back to our 2020-2021 school year. We are looking forward to seeing our students and parents once again. We have been busy planning for a safe re-entry to school in September for students, staff and parents. Our re-entry plan and staggered start list has been shared with parents/guardians through e-mail and is also available on our school website; amisk@btps.ca. If you have further questions please call the Amisk School Office, 780-856-3771.

A few important reminders are listed below:

* Please see the attached lists which indicate the day your child will be attending school on September 1st or 2nd to meet the BTPS requirements of a staggered start up for the first two days. Students must only attend on their scheduled day as indicated and not switch days as pick up has been arranged with bus drivers and teachers are planning for these students on each specific day.

**All students will be attending on a regular basis starting on September 3rd.

*** As we continue our planning next week and are provided with additional updates we will continue to communicate with you what the beginning of the 2020-2021 school year will look like. The safety of our students and staff is always our first priority.

Take care and looking forward to seeing you in September,

Amisk School Staff
