Dear Students and Staff of the Amisk Public School,

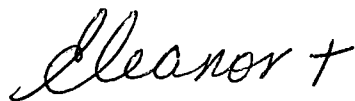

On behalf of our local Food Bank I would like to thank you for your very generous contribution of imperishable food items. You make it possible for the Food Bank to help many families in the communities we serve (Amisk, Hughenden, Czar, and Metiskow).

There is a need in our communities for the food provided by our Food Bank. The food you provide along with other donations from our communities make a real difference to the people who receive the hampers we provide.

Over the years that I have been a pastor in this area I have found that there is a genuine spirit of caring for our neighbours here. Our community members want to help when there is a need. This spirit of love and caring is one of the things that the birth of Jesus is all about. May the coming Christmas season be filled with joy, hope, peace, and love for all of you.

God bless all of you in the coming New Year.

Yours in Christ,
